From (Name) L.B.Green Esq., M.B.E.,
(Designation) Ag. Director of Industries.

To The Secretary to the Government of Madras,
Development Department.

Sir,

I forward for the information of Government a copy of the proceedings of a meeting of the Board of Visitors to the Government Trades School. Mangalore held on 5th February 1937.

p 3 infra

2. The Superintendent reports that the proposal of the Board that the existing evening classes should be converted into day classes has not met with support from the leading firms who are now sending their apprentices to the school. The proposal would also involve increased expenditure as it would not be possible to conduct day classes with the existing staff. The proposal will, however, receive my further consideration when I draw up proposals for the permanent retention

of the Industrial School.

3. I am taking the necessary action in regard to the suggestion of the Board that the District Board should be requested to grant scholarships to students.

Ag. Director of Industries.
